Re: BZA Application No. 15520
(1542 - 9th Street, N.W.)

Dear Ms. Alabi:

After further review by me, the above-numbered application, which was submitted to the Board of Zoning Adjustment on April 11, 1991, is **REJECTED**. BZA Application No. 15520 is **CLOSED**, and will not be reinstated.

The letter from Mr. Lyons to you, dated May 14, 1991, was based upon the belief that the applicant had paid the required fee of \$300 at the time of filing. I have now learned that a check for \$300 was not submitted on April 11. Rather, the staff member that processed the application accepted the application and prepared a receipt based upon the understanding that the fee would be submitted on April 12. Staff is not authorized to accept an application on that basis.

If you are able to comply with the requirements set forth in Mr. Lyons' letter, and to submit a check or money order for the required fee, you may submit a new application, which will receive a new number. If you choose to file again, only Mrs. Wright or Mr. Lyons of this staff are authorized to review the new application, and I must also review it before it is accepted for filing.

If you require additional information, please contact me on (202) 727-6311.

Sincerely,

A handwritten signature in dark ink, appearing to be "E. L. Curry", written over a horizontal line.
